

Suri's Magical Beignets

December 16, 2022 2:00 PM SoPA News Staff
sopanews@tulane.edu

Once upon a time, there lived a dean who missed the winter weather of her home state of New York. When she moved down to New Orleans, a place known for its jazz and magic, she stumbled upon a recipe for magical beignets that grant the maker's wish for a day.
