The Tulane University Chapter of the American Institute of Graphic Arts (AIGA) met for its third annual pumpkin decorating event on Thursday, Oct. 13, on the Uptown Campus. Bethany Barnoski (Media + Design '19) founded the celebration as AIGA Board member in October 2019, and after its two-year hiatus due to COVID-19, the event returned in 2021. Enjoy these snapshots from the evening! Learn more about the Tulane School of Professional Advancement's [Media + Design program](#) or how to join [AIGA](#).
