

[Prepare for hurricane season with an emergency 'go bag'](#)

June 23, 2022 4:00 PM SoPA News Staff
sopanews@tulane.edu

When destructive weather events happen, it's good a good idea to be prepared with a pre-packed bag containing essential supplies. In this video, Professor [Mike Wallace](#) , director of the [Emergency & Security Studies Program](#) at the Tulane School of Professional Advancement, shares what to pack ahead of the storm. A longer, more descriptive version of this video is [available here](#). (Videography by Tulane | Roman Vaulin)
