Candice Brown is a SoPA student working toward a [Paralegal Certificate](#) and [Bachelor of Arts in General Legal Studies](#). Fall 2021 is her final semester and she is making sure that when she leaves campus with her Tulane degree she'll also take with her a wealth of work experience that she's earning as a summer intern with David A. Dalia Attorney at Law. Let's see how it's going!

How did you learn about this summer opportunity?

I learned about the internship through my program director at SoPA. I was matched and placed by Mrs. Robyn Ice.

Tell us about the work you are doing this summer.

I researched and summarized Louisiana Supreme Court disciplinary cases for the Cutting Edge Entertainment Law Conference taking place in New Orleans, Aug. 26-28.

Is your work pretty hectic?

I'm actually having a great time and learning a lot. My work is remote and self-paced.

What is/will be the greatest strength you'll take away from your summer position?

Researching cases, learning about attorney rules of conduct and disciplinary procedures.

What do you love most about being a SoPA student?

SoPA provides a quality of education. I also love having really experienced professors and their willingness to provide career help and guidance outside of the classroom is exceptional.
